

FOR IMMEDIATE RELEASE:

PRESS RELEASE May 2011:

## **Romantic entertainment - perfect for your Wedding, at any time of year!**

**ABC Marquees provide Marquee Hire and Wedding Planning services in Brighton, Sussex and throughout the south east, specialising in hospitality events and weddings, and now offering ice rink hire too.**

Ice rink hire is available year-round from ABC Marquees; it can be built within a marquee, barn or function room, and supplied with ice skates (for children and adults), barriers, and a water-tight solid floor base.

ABC Marquees also offer ice bars and frozen ice walls with beautiful themed interiors to create a magnificent venue to wow your guests.

### **For an original and memorable “twist” on your Wedding Day, why not thrill your guests with a First Dance on ice?**

David Coleman, owner of ABC Marquees, says “Everyone wants their wedding to be remembered forever, and after all that careful planning and preparation you deserve a perfect day.”

Allow ABC Marquees to take the worry out of the process for you with their Complete Wedding Planning service, including marquee hire and venue arrangements, catering, bar hire – or even an ice bar – plus the interior, furnishings, lighting, staging and entertainment.

David suggests “For a truly original form of entertainment at your Wedding, hire an ice rink - fun for both children and adults, and can be hired alongside your Wedding DJ or a live band.”

ABC Marquees have full Public and Employers Liability Insurance, and have many years of experience in marquee hire and Wedding Planning services.

**Contact ABC Marquees for further information or a no-obligation quotation. ###**
